

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

MODEL	DESCRIPTION	FUNCTIONS	PRICE
LTP20G	20mW 532nm green	*Sound active *More than 50 patterns, such as wave, tunnel, circle, dots, etc.	\$152.00
LTP30G	30mW 532nm green	*Sound active *More than 50 patterns, such as wave, tunnel, circle, dots, etc.	\$172.00
LTP40G	40mW 532nm green	*Sound active, Master/Slave *More than 50 patterns, such as wave, tunnel, circle, dots, etc.	\$212.00
LTP50G	50mW 532nm green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$248.00
LTP100R	100mW 650nm red	*Sound active *More than 50 patterns, such as wave, tunnel, circle, dots, etc.	\$128.00
LTP600P	600mW Rose (300mW 650nm red + 300mW 450nm blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,200.00
LTP1WP	1W Rose (500mW 650nm Red + 500mW 450nm Blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,920.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP2WP	2W Rose (1W 650nm Red + 1W 450nm Blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$3,600.00
LTP400C	400mW Cyan (100mW 532nm Green + 300mW 450nm Blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,200.00
LTP700C	700mW Cyan (200mW 532nm Green + 500mW 450nm Blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$2,040.00
LTP1.5WC	1.5W Cyan (500mW 532nm Green + 1W 450nm Blue)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$3,800.00
LTP200R	200mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$272.00
LTP300R	300mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$460.00
LTP400R	400mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$800.00
LTP500R	500mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$900.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP700R	700mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,060.00
LTP800R	800mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,460.00
LTP1WR	1000mW 650nm red	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$1,540.00
LTP130MY	130mW Yellow (red 100mW + green 30mW)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$260.00
LTP250MY	250mW Yellow (red 200mW + green 50mW)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$380.00
LTP400MY	400mW Yellow (red 300mW + green 100mW)	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$680.00
LTP80G	80mW 532nm green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$400.00
LTP100G	100mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$472.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP150G	150mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$540.00
LTP200G	200mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$920.00
LTP300G	300mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,320.00
LTP400G	400mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,720.00
LTP500G	500mW 532nm Green	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$2,200.00
LTP100B	100mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$620.00
LTP200B	200mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$740.00
LTP300B	300mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$940.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP500B	500mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,540.00
LTP1WB	1000mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$2,200.00
LTP2WB	2000mW 450nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$6,600.00
LTP30AB	30mW 473nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,280.00
LTP50AB	50mW 473nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,400.00
LTP80AB	80mW 473nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,540.00
LTP100AB	100mW 473nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$1,720.00
LTP150AB	150mW 473nm Blue	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc. *unique blanking effect	\$2,000.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP100Y	100mW 589nm Yellow	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns, such as wave, tunnel, circle, dots, etc.	\$5,200.00
LTP260RGYD	Double RGY laser: Red 100mW+100mW, Green: 30mW +30mW; Mixed Yellow 260mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$448.00
LTP500RGYD	Double RGY laser: Red: 200mW+200mW, Green: 50mw + 50mW; Mixed Yellow 500mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$700.00
LTP800RGYD	Double RGY laser: Red: 300mW+300mW, Green: 100mW +100mW; Mixed Yellow 800mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$1,460.00
LTP50GD	Double Green 25mW+25mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$300.00
LTP150RGD	RG Red: 100mW + Green: 50mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$312.00
LTP200RD	Double red 100mW+100mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$272.00
LTP400RD	Double red 200mW+200mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$368.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

LTP100GD	Double Green: 50mW+50mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$460.00
LTP200GD	Double Green: 100mW+100mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$1,160.00
LTP400GD	Double Green: 200mW+200mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from two apertures.	\$2,340.00
LTP250RGQ	Four Lens 2xRed:100mW+ 2xGreen: 25mW	*Sound active, AUTO, DMX512, Master/Slave *More than 100 patterns with blended beam effect from four apertures.	\$460.00
LTP400RQ	Four Lens 4xRed 100mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$380.00
LTP800RQ	Four Lens 4xRed 200mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$620.00
LTP1.2WRQ		Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$1,280.00
LTP1.6WRQ	Four Lens 4xRed 400mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$1,520.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP100GQ	Four Lens 4xGreen:25mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$540.00
LTP200GQ	Four Lens 4xGreen:50mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from four apertures.	\$780.00
LTP260RGQ	New Four Lens 2xRed: 100mW+ 2xGreen: 30mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$660.00
LTP500RGQ	New Four Lens 2xRed:200mW + 2xGreen: 50mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$920.00
LTP760RGQ	New Four Lens 2xRed:300mW + 2xGreen: 80mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$1,460.00
LTP400RQ	Four Lens 4xRed: 100mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$500.00
LTP800RQ	New Four Lens 4xRed: 200mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$640.00

LTP120GQ	New four Lens 4xGreen:30mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$780.00
LTP200GQ	New four Lens 4xGreen:50mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$900.00
LTP320GQ	New four Lens 4xGreen:80mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from four apertures, or scan separately towards different direction on systematic procedure.	\$1,400.00
LTP360RG5	Five Lens 3xRed:100mW+ 2xGreen:30mW	*Sound active, AUTO, DMX (1 channel), Master/Slave *More than 100 patterns with blended beam effect from four apertures. *Green and Red laser beams can be shown one by one from five apertures, or scan separately towards different direction on systematic procedure.	\$980.00
LTP80ABD	Double blue 40mW+40mW 473nm	*Sound Active, AUTO, DMX512, Master/Slave for different applications *The double tunnel blue laser, the beams are compages. *More than 100 laser patterns, over 300 laser effects. Advanced design program.	\$1,640.00
LTP400BD	Double blue 200mW+200mW 450nm	*Sound Active, AUTO, DMX512, Master/Slave for different applications *The double tunnel blue laser, the beams are compages. *More than 100 laser patterns, over 300 laser effects. Advanced design program.	\$1,320.00
LTP600BD	Double blue 300mW+300mW 450nm	*Sound Active, AUTO, DMX512, Master/Slave for different applications *The double tunnel blue laser, the beams are compages. *More than 100 laser patterns, over 300 laser effects. Advanced design program.	\$1,520.00
LTP1WBD	Double blue 500mW+500mW 450nm	*Sound Active, AUTO, DMX512, Master/Slave for different applications *The double tunnel blue laser, the beams are compages. *More than 100 laser patterns, over 300 laser effects. Advanced design program.	\$2,360.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

LTP2WBD	Double blue 1000mW+1000mW 450nm	*Sound Active, AUTO, DMX512, Master/Slave for different applications *The double tunnel blue laser, the beams are compages. *More than 100 laser patterns, over 300 laser effects. Advanced design program.	\$4,200.00
LTP140RG	RG Laser (R:100mW + G:40mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect	\$288.00
LTP120RGY	RGY laser (Red:80mW + Green:40mW, Mixed Yellow: 120mW)	Sound active, AUTO, more than 100 patterns	\$240.00
LTP150RGY	RGY laser (Red:100mW + Green:50mW, Mixed Yellow:150mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns	\$320.00
LTP300RGY	RGY laser (Red:200mW + Green:100mW, Mixed Yellow:300mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns	\$700.00
LTP500RGY	RGY laser (Red:350mW + Green:150mW, Mixed Yellow:500mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns	\$1,000.00
LTP650RGB	Multi color RGB (Red: 300mW, Green: 150mW, Blue:200mW 450nm, Blended white:650mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$1,600.00
LTP1WRGB	Multi color RGB (Red: 500mW, Green: 250mW, Blue:300mW 450nm, Blended white:1000mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$2,400.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

LTP2WRGB	Multi color RGB (Red: 1300mW, Green: 350mW, Blue:500mW 450nm, Blended white:2000mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$3,800.00
LTP350RGAB	Multi color RGB (Red: 200mW, Green: 100mW, Blue:50mW 473nm, Blended white:350mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$2,600.00
LTP600RGAB	Multi color RGB (Red: 350mW, Green: 150mW, Blue:100mW 473nm, Blended white:600mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$3,200.00
LTP1WRGAB	Multi color RGB (Red: 650mW, Green: 200mW, Blue:150mW 473nm, Blended white:1000mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$3,800.00
LTP230RGV	Multi color RGB (Red: 100mW, Green: 30mW, violet: 100mW 405nm, Blended white:230mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$580.00
LTP450RGV	Multi color RGB (Red: 200mW, Green: 50mW, violet:200mW 405nm, Blended white:450mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$760.00
LTP680RGV	Multi color RGB (Red: 300mW, Green: 80mW, violet: 300mW 405nm, Blended white:680mW)	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns, unique blanking effect	\$1,200.00
T606G	50mW green twinkling laser, big dots	Sound active, AUTO, DMX512, Master/Slave, twinkling laser beam effect, more than 500 beams shoot out within 40°, the effect of rotation, speed, flashing and color controlled.	\$220.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

T608RGY	RGY Twinkling Laser (Green:50mW, Red: 100mW, Mixed Yellow:150mW), big dots	Sound active, AUTO, DMX512, Master/Slave, twinkling laser beam effect, more than 500 beams shoot out within 40°, the effect of rotation, speed, flashing and color controlled.	\$240.00
T616G	"Moving Head" Twinkling Laser Green: 100mW, big dots	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$620.00
T658RGY	"Moving Head" Twinkling RGY Laser (Green: 50mW, Red: 100mW, mixed Yellow: 150mW), big dots	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$620.00
T658RGY	"Moving Head" Twinkling RGY Laser (Green: 50mW, Red: 100mW, mixed Yellow: 150mW), big dots	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$352.00
T618RGY	"Moving Head" RGY Twinkling Laser (Green: 100mW, Red: 200mW, Mixed Yellow: 300mW), big dots	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$800.00
T626G	Fireworks/firefly Twinkling Laser Green: 50mW, small dots	Sound active, AUTO, DMX512, Master/Slave, twinkling laser beam effect, more than 500 beams shoot out within 40°, the effect of rotation, speed, flashing and color controlled.	\$248.00
T628RGY	Fireworks/firefly Twinkling Laser RGY (Green: 50mW, Red: 100mW, mixed Yellow: 150mW), small dots	Sound active, AUTO, DMX512, Master/Slave, twinkling laser beam effect, more than 500 beams shoot out within 40°, the effect of rotation, speed, flashing and color controlled.	\$292.00
T668RGY	Crossed star Twinkling Laser RGY (Green:50mW, Red: 100mW, mixed Yellow:150mW)	Sound active.Crossed star twinkling laser, more than 100 red and green beams shoot out from the aperture within 40 angles, the effect of rotating direction, speed and frequently flashing controlled.	\$272.00

LIGHTS TO PARTY - PURCHASING PRICE LIST

PH: 0433 501 613 | E: INFO@LIGHTSTOPARTY.COM.AU | W: WWW.LIGHTSTOPARTY.COM.AU

T636G	Crossed Star Twinkling Laser Green 50mW	Sound active. Crossed star twinkling laser, more than 100 red and green beams shoot out from the aperture within 40 angles, the effect of rotating direction, speed and frequently flashing controlled.	\$252.00
T659RGY	"Moving Head" Multi Twinkling Effects (Green: 50mw, red: 100mw, mixed yellow: 150mw)	Sound active, AUTO, DMX512, Master/Slave, Advanced new program with many unique perfect laser effects, like butterfly, round circle, flower, short line etc. Green, Red and Yellow twinkling "moving head" laser effect spread as matrix, laser beam angle at 40-60 degrees. Rotational direction and speed, frequent flashing and plane scanning control effect.	\$368.00
T629RGY	150mW Tracking Twinkling Laser (Green: 50mw, red: 100mw, mixed yellow: 150mw)	Sound active, AUTO, DMX512, Master/Slave, Red, green and yellow three-color tracking twinkling laser, more than 500 red and green beams shoot out from the aperture within 40 angles, the effect of rotating direction, speed and frequently flashing controlled.	\$340.00
T639RGY	150mW Bubble Tracking Twinkling Laser (Green: 50mw, red: 100mw, mixed yellow: 150mw)	Sound active, AUTO, DMX512, Master/Slave. Red, green and yellow three-color tracking twinkling laser, more than 500 red and green beams shoot out from the aperture within 40 angles, the effect of rotating direction, speed and frequently flashing controlled.	\$368.00
T688RG	150mW Multi Effects Twinkling Laser (Green: 50mw, red: 100mw)	Sound active, AUTO, DMX512, Master/Slave. Advanced new program makes many unique perfect laser effects, such as crossed stars, fireworks, 3D lasers, round flowers. The left is red and the right is green. Laser beam angle at 40-60 degrees. Rotational direction and speed, frequent flashing and plane scanning control effect.	\$492.00
T6282RB	"Moving Head" Twinkling Laser (blue: 50mW 473nm, Red: 200mW)	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$2,540.00
T6283RB	"Moving Head" Twinkling Laser (blue: 100mW, Red: 350 mW)	Sound active, AUTO, DMX512, Master/Slave, Not only about effect, but also the function of scan track, track position, movements speed controlled, to create a "moving head" twinkling laser stars.	\$3,700.00
T610RG	150mW Multi Effects Twinkling Laser (Green: 50mw, red: 100mw)	Advanced new program makes many unique perfect laser effects, such as quincunx, pentagram, musics, hearts, falciform, firefly, big crossed stars, etc. The left is red and the right is green. Laser beam angle at 40-60 degrees. Rotational direction and speed, frequent flashing and plane scanning control effect. Sound active, AUTO, DMX512, Master/Slave	\$460.00

LED698RGY	150mW multi effects RGB-LED and RGY-Laser (Green: 50mW, Red: 100mW, mixed yellow: 150mw)	This unit has very special effects: RGB LEDs as background, RGY laser shooting out with many kinds of laser effects. The laser effects are the newest style in the laser field which created with advanced program and makes the stage with perfect show. It has four functions: Auto, Sound Active, DMX, and Master/Slave.	\$512.00
LED686RG	150mW Romantic Star Burst LED Laser (Green: 50mW, Red: 100mW)	Combining LED and laser into one system with advanced technology, this LED laser is a great achievement in the stage field. When the laser light is working, there are thousands of laser dots shooting out and the blue LED as background to bring you a nice blue sky. Play Mode: Sound Active, AUTO, DMX512 (10 channels), Master/Slave	\$412.00
LED6868RGY	150mW Romantic Star Burst 3W RGB LED Laser (Green: 50mW, Red: 100mW, mixed yellow: 150mw)	Combining LED and laser into one system with advanced technology, this LED laser is a great achievement in the stage field. When the laser light is working, there are thousands of laser dots shooting out and the RGB LED as background to bring you a nice blue sky. Play Mode: Sound Active, AUTO, DMX512 (12 channels), Master/Slave	\$488.00
LED660RG	150mW Multi Effects Twinkling Laser G: 50mW +R:100mW+ LED 8W	Consisted by 136pcs supper bright (red, green, blue, yellow and white) LEDs, this light can create very beautiful LED full color effects. LEDs have functions of color changing, over 40 kinds of pattern changing, speed controlling, strobe, rolling, etc. Combining with colorful LED effects, this light displays red and green laser twinkling effects, e.g. thousands of stars (dots) shooting out from 2 small apertures.	\$540.00
LED661RG	150mW Multi Effects Twinkling Laser G: 100mW +R:300mW+ LED 8W	Consisted by 136pcs supper bright (red, green, blue, yellow and white) LEDs, this light can create very beautiful LED full color effects. LEDs have functions of color changing, over 40 kinds of pattern changing, speed controlling, strobe, rolling, etc. Combining with colorful LED effects, this light displays red and green laser twinkling effects, e.g. thousands of stars (dots) shooting out from 2 small apertures.	\$880.00
LED650RG	250mW Multi Effects Twinkling Laser Show System G:50mW+ R:100mW +100mW+ LED 3W(RGB)	Sound active, AUTO, DMX512, Master/Slave. Features: Control the speed of two DC-step motors can create more than 20 kinds of smooth and random changeable grating patterns .it is variable,sometimes it looks like egg rolling,fish spitting bubbles,or form triangular plum flower,making you very superized.the red and green color can freely cominated and changed,clockwiseor counterclockwise rotation from time to time, making people have strong sense of rhythm and big angle.	\$500.00
LED860RG	Mini LED twinkling animation Laser RG Red:100mW, Green: 30mW, built in 6-10Kpss Scanner	Sound active, AUTO. Supper bright 3W Blue LED light as romantic background, there are over 60 kinds of animation shooting out at the angle 120°, which can create extremely beautiful stage effects.	\$432.00

10K200GA	Green 200mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,120.00
10K300GA	Green 300mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,400.00
10K400GA	Green 400mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$2,000.00
10K500GA	Green 500mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$2,400.00

10K50ABA	Blue 473nm 50mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,520.00
10K100ABA	Blue 473nm 100mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,920.00
10K150ABA	Blue 473nm 150mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$2,320.00
10K300BA	Blue 450nm 300mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,040.00
10K500BA	Blue 450nm 500mW Animation built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$1,840.00
25K1WBA	Blue 450nm 1000mW Animation built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$2,800.00
25K2WBA	Blue 450nm 2000mW Animation built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$7,600.00

10K1WRBPA	RBR animation laser (Red:500mW, Blue:500mW 450nm, mixed Rose: 1000mW), built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$2,120.00
10K2WRBPA	RBR animation laser (Red:1000mW, Blue:1000mW 450nm, mixed Rose: 2000mW), built in 10Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$4,800.00
25K350RGABA	Multi Color RGB Animation Laser (Red: 200mW, Green: 100mW Blue:50mW 473nm, Mixed White: 350mW), built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$3,400.00
25K600RGABA	Multi Color RGB Animation laser (Red: 350mW, Green: 150mW, Blue:100mW 473nm, blended white: 600mW), built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Professional animation laser which can be written with logos, letters, graphics.	\$4,400.00
25K1.1WRGABA	1W Multi Color RGB Animation laser (Red: 800mW, Green: 200mW, Blue: 150mW 473nm, blended white: 1100mW), built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Outdoor use. Professional animation laser which can be written with logos, letters, graphics.	\$6,000.00
25K2WRGABA	2W Multi Color RGB Animation laser (Red:1500mW, Green: 500mW, Blue: 300mW 473nm, blended white:2000mW), built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Outdoor use. Professional animation laser which can be written with logos, letters, graphics.	\$13,200.00
25K3WRGABA	3W Multi Color RGB Animation laser (Red: 1500mW, Green: 1000mW, Blue: 500mW 473nm, blended white: 3000mW), built in 25Kpss Scanner	Sound active, AUTO-Beam, AUTO-Animation, DMX512, ILDA computer interface mode, Master/Slave, DMX512 with 14 channels control, high speed optical scanner to create animated graphics, 128/256 beam show and animated graphics show patterns. Outdoor use. Professional animation laser which can be written with logos, letters, graphics.	\$32,000.00

LTP100V	Single violet 100mW 405nm	Sound active, AUTO, DMX512, Master/Slave for different applications. Advanced design program, more than 100 laser patterns, over 300 laser effects	\$1,360.00
LTP200V	Single violet 200mW 405nm	Sound active, AUTO, DMX512, Master/Slave for different applications. Advanced design program, more than 100 laser patterns, over 300 laser effects	\$2,000.00
LTP300V	Single violet 300mW 405nm	Sound active, AUTO, DMX512, Master/Slave for different applications. Advanced design program, more than 100 laser patterns, over 300 laser effects	\$3,040.00
LTP200RVD	Dual Red and Violet, red: 100mW, violet: 100mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from two apertures.	\$1,568.00
LTP400RVD	Dual Red and Violet, red: 200mW, violet: 200mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from two apertures.	\$2,608.00
LTP600RVD	Dual Red and Violet, red: 300mW, violet: 300mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from two apertures.	\$4,240.00
LTP150GVD	Dual Green and Violet, green:50mW, violet: 100mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from two apertures.	\$1,792.00
LTP200VD	Dual Violet and Violet, blue: 100mW +100mW	Sound active, AUTO, DMX512, Master/Slave, more than 100 patterns with blended beam effect from two apertures.	\$2,000.00
